

EUROPEAN PARLIAMENT

Guide for candidates in competitions/selection procedures organised by the European Parliament

For the purposes of this guide, the term ‘notice’ refers to a ‘competition notice’ in the context of a competition and to a ‘recruitment notice’ in the context of a selection procedure.

1. INTRODUCTION

What form does a competition/selection procedure take?

Competitions/selection procedures consist of a series of stages in which candidates compete against one another. They are open to all EU citizens who, on the closing date for applications, meet the eligibility criteria. They give all candidates a fair opportunity to demonstrate their skills and result in selection on the basis of merit and equal treatment.

Successful candidates in a competition/selection procedure are placed on a list of suitable candidates, on which the European Parliament will draw in order to fill the posts as and when it needs to do so.

A selection board¹ is set up for each competition/selection procedure. Its members are appointed by the Administration and the Staff Committee. Its proceedings are secret and are conducted in accordance with Annex III to the Staff Regulations of Officials of the European Union².

The selection board applies strictly the eligibility criteria set out in the notice when deciding whether or not each candidate should be admitted. Candidates admitted to a previous competition or selection procedure will not automatically be eligible.

In order to select the best candidates, the selection board compares the candidates’ performance with the aim of assessing their suitability to perform the duties described in the notice. This means that it must not only assess the candidates’ knowledge, but also identify the best qualified individuals on the basis of their merit.

It should be noted that competitions/selection procedures usually take between six and twelve months, depending on the number of candidates.

¹ For the purposes of this guide, the term ‘selection board’ refers to any type of selection committee or board. In the context of a competition, it is a selection board. In the context of a selection procedure, it is a selection committee.

² See Council Regulation (EEC, Euratom, ECSC) No 259/68 (OJ L 56, 4.3.1968, p. 1), as amended by Regulation (EC, Euratom) No 723/2004 (OJ L 124, 27.4.2004, p. 1) and most recently by Regulation (EU, Euratom) No 1023/2013 of the European Parliament and of the Council of 22 October 2013 amending the Staff Regulations of Officials of the European Union and the Conditions of Employment of Other Servants of the European Union (OJ L 287, 29.10.2013, p. 15).

2. STAGES IN THE COMPETITION/SELECTION PROCEDURE

The stages of a competition/selection procedure are:

- receipt of application files;
- assessment of compliance with the eligibility criteria;
- assessment of qualifications (in accordance with the notice);
- tests;
- drawing-up of a list of suitable candidates.

2.1 *Receipt of application files*

You can only register online using the Apply4EP platform, carefully following every step leading to final electronic validation of your application (see section 3 of this guide). You must attach all the requisite supporting documents, preferably in PDF format, proving that you meet the criteria set out in the notice. These documents enable the selection board to verify the accuracy of the information provided. It is your responsibility to provide legible documents.

Please note that documents in DOC, DOCX, GIF, JPG, TXT, PDF, PNG or RTF format attesting to the professional experience, qualifications and, where applicable, knowledge of languages referred to on the application form can be uploaded to Apply4EP. No document may be bigger than 5 MB.

2.2 *Assessment of compliance with the eligibility criteria*

A list of the candidates who have submitted their applications in accordance with the arrangements stipulated and by the closing date will be drawn up by the appointing authority and forwarded to the selection board together with the files.

The selection board will consider the applications and draw up a list of candidates who meet the eligibility criteria set out in the notice. It will base its decisions **solely** on information given on the application form **which is substantiated by supporting documents**.

Applications must give full details of studies, training, professional experience and knowledge of languages, as follows:

- studies: the dates on which they began and ended, as well as the nature of the diploma(s) obtained and the subjects studied;
- any professional experience: the dates on which periods of professional experience began and ended and **the precise nature of the duties performed**.

If you have published studies, articles, reports or any other texts relevant to the duties set out in the notice, you should specify them on the application form.

At this stage, candidates who do not meet the eligibility criteria set out in the notice will not be admitted.

Candidates will be informed individually by email whether or not the selection board has decided to admit them to the tests.

2.3 *Assessment of qualifications*

Where specified in the notice, the selection board will assess the qualifications of those admitted to the competition/selection procedure in order to select the candidates who are to be invited to the tests. It will base its decisions **solely** on information given on the application form which is **substantiated by relevant supporting documents**, preferably in PDF format. The selection board will base its work on criteria agreed in advance, taking account of the qualifications specified in the notice.

Candidates will be informed individually by email whether or not the selection board has decided to admit them to the tests.

2.4 *Tests*

If you meet the eligibility criteria and are ranked among the best candidates in the assessment of qualifications (where applicable), you will be invited to the tests. All the tests are compulsory and eliminatory. The maximum number of candidates who can be admitted to the tests is specified in the notice. Details of the tests and the marks that can be awarded for them are given in the notice.

Technical details – Online tests (MCQ and written test)

A service provider has been contracted by the European Parliament to run the online tests.

You will need a computer (desktop or laptop) with:

- Microsoft Windows 7 or later or Apple OS X 10.11 ‘Yosemite’ or later for Mac;
- 1 GB of free space on the hard disk;
- a front-facing camera connected to or built into your computer;
- an internet connection;
- 4 GB of RAM.

You will be informed, in advance of the tests, of any changes to the above minimum technical requirements resulting from any software updates.

The operating systems XP, Vista and lower, Windows 10 S, Windows ARM (RT), MacOS lower than 10.11, iOS (iPad, iPhone), Android, Chromebook, Virtual Machine, Linux (Debian, Ubuntu, etc.) and 32-bit OS are not suitable.

You will also need administrator rights for the desktop computer or laptop in order to block access to all applications (documents, other software packages, websites, etc.) other than that of the service provider during the tests.

You must check that the date and time on your computer are correct and that you have the right screen resolution.

You must download, install, verify and test the application as soon as possible (at least one week before the test). In order to test the application after installation, you will be asked to run a simulation when you access it. **The simulation is mandatory and must be performed on the computer which will be used on the day of the test.** It will not count towards your mark. It will enable you to familiarise yourself with the application and how to use it.

All anti-virus systems on your desktop computer or laptop must be disabled during the test.

If at any stage in the competition/selection procedure you encounter a technical problem, please inform the Talent Selection Unit via your Apply4EP account, stating clearly the number and name of the competition/selection procedure and the nature of the problem encountered, so that we can investigate and take any corrective measures required.

On the day of the test: Make sure that you will not have to leave your computer during the test. More information concerning the test procedure and the dos and don'ts during the tests will be sent to you with the email inviting you to the test.

If a problem arises during the test, please contact the service provider immediately by telephone on +33 1 76 41 14 88 to resolve the problem so that you can continue your test.

The tests taken by candidates who give up will not be marked.

The date and time stated in the invitation to the online written test (or MCQ) are the only possible date and time. If you are not able to participate in the test you will not have another opportunity to take it.

For organisational reasons the tests will be held on the same day, but they will be marked in the order in which they appear in the notice. If a candidate does not achieve the pass mark for a test, the selection board will not mark the subsequent test.

2.5 *List of suitable candidates*

The list of suitable candidates will be made public.

The inclusion of a candidate's name on the list of suitable candidates means that he or she may be called for interview by one of Parliament's departments, but it does not constitute either a right to, or a guarantee of, recruitment.

3. HOW TO APPLY

3.1 *General remarks*

Before applying, you should check carefully that you meet all the eligibility criteria by studying the notice and this guide and taking due note of the requirements they set out.

Applications for European Parliament competitions/selection procedures are submitted via an online platform, Apply4EP. It is accessible at: <https://apply4ep.gestmax.eu>. In order to create

an account in Apply4EP, click on the ‘Apply online’ tab at the bottom of the notice for which you wish to apply and follow the instructions.

You can only create **one** account. However, you can update your personal information in the account.

NB: Apply4EP does not currently have a save function. Consequently, if you leave the page before you have finalised your application, you will lose the information you have uploaded and you will have to start again. Please make sure that you prepare in advance all the supporting documents to be attached to the application.

You must complete the application form online and submit with it all the requisite supporting documents, preferably in PDF format. Those documents must prove that you meet all the criteria set out in the notice, so that the selection board can verify the accuracy of the information. It is your responsibility to provide legible documents.

You will not be able to apply once the deadline set in the notice has passed. You are strongly urged not to wait until the last day before applying. The European Parliament cannot be held responsible for any last-minute technical problems caused by the system being overloaded.

Documents sent other than as attachments to the online application will not be taken into account.

The Talent Selection Unit will not accept applications which are submitted in person.

If you who have a disability or your circumstances are such that problems could arise during the tests (e.g. pregnancy, breastfeeding, health problems, medical treatment, etc.), you must specify this on the application form and provide any relevant information so that the Administration can take appropriate, reasonable measures. If necessary, you should also include in your application details of any special arrangements that you think are needed to make it easier for you to take the tests. Please note that if you wish your request to be considered you must send a certificate from your national authority or a medical certificate. The information given in your supporting documents will be assessed so that reasonable accommodation can be made if needed.

3.2 How to submit the complete application file

1. Apply online by following the link in the notice and carefully complete all the sections. For the purposes of submitting an application, you may have only **ONE** account on the Apply4EP platform, which you can create by clicking on the ‘Apply online’ tab.
2. **Attach all the supporting documents required**, preferably converting them to PDF format first. It is your responsibility to provide legible documents. Documents no bigger than **5 MB** can be uploaded to the Apply4EP platform.
3. Validate your application, by following the instructions in Apply4EP, before the deadline specified in the notice. Make sure that your application is correctly completed and accompanied by all the required supporting documents before submitting it. Once your application has been validated, you cannot change it or add documents to it.

3.3 *Supporting documents to be attached to the application file*

3.3.1 **General remarks**

The documents that you upload (preferably in PDF format) when applying online do not need to be certified true copies.

References to websites or social media accounts do not constitute valid supporting documents.

Printouts of pages from websites will not be regarded as certificates, although they may be attached purely to provide additional information.

A curriculum vitae is not regarded as a supporting document attesting to professional experience, qualifications or knowledge of languages.

In compiling your application file, you may not refer to application forms or any other documents already uploaded in connection with a previous application.

3.3.2 **Supporting documents for the general criteria**

No document is required at this stage to prove that you:

- are a national of a European Union Member State;
- enjoy full rights as a citizen;
- have fulfilled any obligations imposed on you by the laws on military service;
- have the appropriate character references as to your suitability to perform the duties concerned;
- have the knowledge of languages specified in your application form, except in the specific cases expressly provided for in the notice.

You must tick the box to declare on your honour that you meet the criteria and that the information supplied is true and complete. You will be asked to provide these documents if you are recruited.

3.3.3 **Supporting documents for the specific criteria**

You must provide the selection board with all the information and documents it needs in order to verify the accuracy of the information given on the application form.

- **Diplomas and/or certificates attesting to the successful completion of studies**

You must include in your online application copies, preferably in PDF format, of the secondary or higher-education diplomas or university diplomas or certificates attesting that you have completed studies of the level required by the notice. It is your responsibility to provide legible documents.

The selection board will take account of the different education systems in the European Union Member States (Annex I and Annex II to this guide). If you have a diploma from a non-EU country, it must be accompanied by a declaration of equivalence issued by a competent authority of a Member State of the European Union.

In the case of post-secondary diplomas, you must provide the most detailed possible information, particularly concerning the subjects studied and the length of time for which they were studied, so that the selection board can assess the relevance of the diplomas to the duties to be performed.

If you submit diplomas relating to technical or vocational training, further training or specialisation courses, you must state whether the course was full time or part time or consisted of evening classes, as well as the subjects studied and the official duration of the courses. Please upload this information in one single document, preferably in PDF format.

- **Professional experience**

Professional experience will be taken into account only if it has been **obtained more recently than the requisite diploma or qualification**. The supporting documents must prove **the duration and level** of the professional experience and **the work performed** must be **described in as much detail as possible**, so that the selection board can assess the relevance of your experience to the duties to be performed. If you have more than one document relating to the same period of professional experience, you must upload them in one single document.

All periods of professional experience cited must be substantiated by supporting documents, for example:

- statements from former employers and your current employer certifying that you have the professional experience required for admission to the competition/selection procedure;
- if, for reasons of confidentiality, you cannot attach such statements, **you must** attach, in their place, photocopies of your employment contract or a letter of recruitment and both your first and your most recent salary statement;
- where the work has not been performed on behalf of an employer (as a self-employed person, member of the liberal professions, etc.), invoices detailing the services provided, or any other relevant official supporting document, will be accepted as evidence.

- **Knowledge of languages**

For the linguist profiles, and if stipulated in the notice, you must provide proof of knowledge of your third and, possibly, your fourth language, which must in each case be one of the 24 official languages of the European Union, and specify the level of knowledge.

- **Declaration form**

If the notice requires you to fill in a declaration, it must be duly completed in accordance with the notice and uploaded in the 'Declaration' field provided for this purpose when submitting

your online application form. It should be noted that if no declaration is submitted or if the declaration is incomplete, the application will be inadmissible.

4. DISQUALIFICATION

You risk being disqualified at any stage of a competition/selection procedure if you:

- create more than one account;
- make false declarations or declarations not supported by appropriate documents;
- fail to sit one or more of your tests;
- cheat during the tests;
- attempt to contact a member of the selection board in an unauthorised manner;
- sign or make an identifying mark on a written or practical test which is corrected anonymously;
- fail to comply with the instructions given for the online tests.

Candidates must show themselves to be of the highest possible integrity. Fraud or attempted fraud may render you liable to penalty.

5. NOTICE

It is your responsibility to ensure that the duly completed online application, with all the requisite supporting documents attached, is validated in Apply4EP before the deadline specified in the notice.

Every application submitted via Apply4EP will be confirmed by means of an email stating that the application has been registered. Please make sure to check your spam folder.

Only applications submitted in Apply4EP will be considered. There is no need, therefore, to send your application by registered or ordinary post. The Talent Selection Unit will also not accept applications which are submitted in person.

The Talent Selection Unit is responsible for communicating with candidates until the competition/selection procedure has been completed.

All correspondence from the European Parliament concerning the competition/selection procedure, including invitations to the tests and notifications of results, will be sent to candidates by email at the address specified in the online application in Apply4EP. Candidates are responsible for regularly checking their email and for updating their personal details in their Apply4EP account.

Candidates are asked not to telephone the Talent Selection Unit. They should submit any questions they have by replying to the email confirming their online application.

Candidates who have not managed to create an Apply4EP account or have technical problems are asked to write to the following address: PERS-APPLY4EPContacts@europarl.europa.eu.

In order to maintain the independence of the selection board, candidates may not under any circumstances approach the board themselves, directly or indirectly; if they do so, they may be disqualified.

6. GENERAL INFORMATION

6.1 *Equal opportunities*

The European Parliament is careful to avoid any form of discrimination.

It is an equal-opportunities employer and accepts applications without discrimination on any grounds such as gender, skin colour, ethnic or social origin, genetic features, language, religion or belief, political or any other opinion, membership of a national minority, property, birth, disability, age, sexual orientation, marital status or family situation.

6.2 *Requests from candidates for access to information concerning them*

In connection with competitions and selection procedures, candidates have a specific right of access to certain information concerning them directly and individually, as described below. The European Parliament may therefore supply the following information to a candidate on request:

- (a) if an MCQ test is provided for in the notice, candidates who have not passed that test may obtain a copy of their answers together with the correct answers. Requests must be made via the Apply4EP account **within one month** of the date on which the email notifying the results was sent;
- (b) if an evaluation of qualifications is provided for in the notice, candidates who are not among those admitted to the tests may obtain a copy of the evaluation sheet concerning their qualifications. Requests must be made via the Apply4EP account **within one month** of the date on which the email notifying the decision was sent;
- (c) if written tests are provided for in the notice, candidates who have not passed those tests or are not invited to the oral tests may obtain an unmarked copy of their test papers as well as a copy of their personal evaluation sheet. Requests must be made via the Apply4EP account **within one month** of the date on which the email notifying the decision was sent;
- (d) candidates who are invited to the oral tests but who are not included on the list of suitable candidates will not be informed of their results in the tests until the list has been drawn up by the selection board. They may, on request, obtain an unmarked copy of their written test paper and, for each of the written and oral tests, a copy of their personal evaluation sheet. Requests must be made via the Apply4EP account **within one month** of the date on which the email notifying the decision not to include their name on the list of suitable candidates was sent;
- (e) candidates placed on the list of suitable candidates will be informed only of the fact that they have passed the competition/selection procedure. Such candidates may nevertheless submit a request for access to information under points (a), (b), (c) and (d) above.

Such requests must be processed in accordance with the requirement for selection board proceedings to be secret, as laid down in the Staff Regulations of Officials of the European Union (Annex III, Article 6), which preclude both the disclosure of the views taken by the selection board and the disclosure of any information relating to the personal or comparative assessments of candidates. Such requests must also be processed in compliance with the rules on the protection of individuals with regard to the processing of personal data. Parliament will reply to requests for access to information within one month of receipt thereof.

6.3 Protection of personal data

The European Parliament, as the body responsible for organising competitions/selection procedures, ensures that candidates' personal data are processed in strict compliance with Regulation (EU) 2018/1725 of the European Parliament and of the Council of 23 October 2018 on the protection of natural persons with regard to the processing of personal data by the Union bodies, offices and agencies and the free movement of such data, and repealing Regulation (EC) No 45/2001 and Decision No 1247/2002/EC³, in particular as regards their confidentiality and security.

6.4 Travel and subsistence expenses in connection with tests taken in person

A contribution will be made towards the travel and subsistence expenses of candidates invited to tests which are taken in person. Candidates will be given details of the procedure and the rates applicable in the email inviting them to the tests.

The address given on the application form will be considered the place from which the candidate departs to attend the tests to which he or she has been invited. A change of address notified by a candidate after the European Parliament has sent the invitations to the tests will not be taken into consideration, unless Parliament considers that the circumstances invoked by the candidate amount to force majeure or are wholly exceptional.

7. REQUESTS FOR REVIEW – COMPLAINTS AND APPEALS – COMPLAINTS TO THE EUROPEAN OMBUDSMAN

Information concerning requests for review, appeals and complaints to the Ombudsman is given in Annex III to this guide.

³ OJ L 295, 21.11.2018, p. 39.

ANNEX III

REQUESTS FOR REVIEW – COMPLAINTS AND APPEALS – COMPLAINTS TO THE EUROPEAN OMBUDSMAN

A. Requests for review

You may ask the selection board to review its decision when it has decided:

- not to admit you to the competition/selection procedure
- not to invite you to a (written or oral) test;

The selection board will not review its decision not to include candidates on the list of suitable candidates.

Requests for review must be sent via your Apply4EP account within **10 calendar days of the date on which the email notifying you of the selection board's decision was dispatched**. A reply will be sent as soon as possible.

A decision adopted following a request for review will replace the original decision. For this reason, if a candidate decides to submit a request for review of a decision of the selection board, he or she is asked to wait for the selection board's reply before lodging any complaint or judicial appeal against the decision adversely affecting him or her.

B. Complaints and judicial appeals

If you consider that you have been adversely affected by a decision of the selection board or the appointing authority, you may lodge a complaint, at any stage of the competition/selection procedure, under Article 90(2) of the Staff Regulations of Officials of the European Union¹.

The complaint should be addressed to:

The Secretary-General
European Parliament
Konrad Adenauer Building
2929 Luxembourg
LUXEMBOURG

It should be noted that the appointing authority cannot amend or annul the decisions of selection boards in competitions/selection procedures. If you wish to contest a decision by a selection board, you may therefore lodge an appeal directly with the General Court of the European Union without a complaint having first been lodged under Article 90(2) of the Staff Regulations of Officials of the European Union.

¹ See Council Regulation (EEC, Euratom, ECSC) No 259/68 (OJ L 56, 4.3.1968, p. 1), as amended by Regulation (EC, Euratom) No 723/2004 (OJ L 124, 27.4.2004, p. 1) and most recently by Regulation (EU, Euratom) No 1023/2013 of the European Parliament and of the Council of 22 October 2013 amending the Staff Regulations of Officials of the European Union and the Conditions of Employment of Other Servants of the European Union (OJ L 287, 29.10.2013, p. 15).

When you contest a decision by the appointing authority, an appeal to the General Court of the European Union is only possible after you have lodged a complaint under Article 90(2) of the Staff Regulations of Officials of the European Union.

A judicial appeal must be addressed to the:

General Court of the European Union
2925 Luxembourg
LUXEMBOURG,

under Article 270 of the Treaty on the Functioning of the European Union and Article 91 of the Staff Regulations of Officials of the European Union.

Appeals to the General Court of the European Union may be made only through a lawyer authorised to practise before a court of a Member State of the European Union or of the European Economic Area.

The time limits laid down in Articles 90 and 91 of the Staff Regulations of Officials of the European Union which apply to these two types of appeal start to run either from the date of notification of the original decision adversely affecting you or, only in the case of a request for a review, from the date you are notified of the selection board's original reply to the request.

C. Lodging a complaint with the European Ombudsman

As citizens or residents of the European Union, candidates can make a complaint to the European Ombudsman:

European Ombudsman
1, Avenue du Président Robert Schuman – B.P. 403
67001 Strasbourg Cedex
FRANCE,

under Article 228(1) of the Treaty on the Functioning of the European Union and in accordance with the conditions laid down in Decision 94/262/ECSC, EC, Euratom of the European Parliament of 9 March 1994 on the regulations and general conditions governing the performance of the Ombudsman's duties².

You should note that complaints lodged with the Ombudsman have no suspensive effect on the time limit laid down in Article 91 of the Staff Regulations for lodging appeals with the Court of Justice of the European Union under Article 270 of the Treaty on the Functioning of the European Union. In accordance with Article 228(1) of the Treaty on the Functioning of the European Union, the Ombudsman does not examine complaints where the alleged facts are or have been the subject of legal proceedings.

The lodging of a request for review, a complaint, an appeal or a complaint to the European Ombudsman has no suspensive effect on the work of the selection board.
