

GUIDE FOR CANDIDATES

To apply, you must have an account on the Apply4EP platform. Applications can only be submitted via that platform.

1. Creating an account and completing the application forms

You can only create one account. To create your account, go to <https://apply4ep.gestmax.eu> and read the information set out there carefully.

Click on *Apply online*. Then, you can either log in on your existing Apply4EP account or either create an account by uploading your CV. If you create a new account, you will be asked to fill in a form with your contact details.

Then click on *Next*. Select or, if still needed, upload your CV, and complete the declarations.

Finally, click on *Next* and complete all the mandatory sections of the application form indicated by an asterisk.

For professional experience, if any, you should give a detailed description of the duties you performed. Per period of professional experience, you must upload all the relevant files in 1 document, preferably in pdf. Supporting documents can consist of statements from your (former) employer, photocopies of your employment contract, a letter of recruitment and/or your salary statements. Where the work has not been performed on behalf of an employer (as a self-employed person, member of the liberal professions, etc.), you can provide invoices detailing the services provided.

For languages, your language 1 is considered to be your mother tongue and your language 2 is considered to be the language you master second. A supporting document is not mandatory for proving your language knowledge.

For diplomas, you should enter the details of your secondary education diploma(s), post-secondary diploma(s) and/or university diploma(s). You must upload a copy of each diploma in 1 document, preferably in pdf. If you have a diploma from a non-EU country, it must be accompanied by a declaration of equivalence issued by a competent authority of a Member State of the European Union.

Please note that documents in DOC, DOCX, GIF, JPG, TXT, PDF, PNG or RTF format attesting to the professional experience and qualifications can be uploaded to Apply4EP. No document may be bigger than 5 MB.

Check your Apply4EP account regularly. Make sure you keep your registered contact details, including your phone number and e-mail address, up to date. Recruiting services may try to contact you by telephone or e-mail. You can update your contact details by logging in on your candidate account.

2. Protection of personal data

The European Parliament, as the body responsible for organising selection procedures, ensures that candidates' personal data are processed in strict compliance with Regulation (EU) 2018/1725 of the European Parliament and of the Council of 23 October 2018 on the protection of natural persons with regard to the processing of personal data by the Union bodies, offices and agencies and the free movement of such data, and repealing Regulation (EC) No 45/2001 and Decision No 1247/2002/EC (Official Journal of the European Union L 295 of 21 November 2018).

3. Appeals

Administrative complaints

Under Article 90(2) of the Staff Regulations, participants may address an administrative complaint to the Secretary-General against a decision of the selection panel or the Appointing Authority which adversely affects them within three months of notification of the contested decision. Please note that decisions taken by the selection panel cannot be modified or annulled due to the wide margin of appreciation it enjoys.

Judicial appeals

Under Article 270 of the Treaty on the Functioning of the European Union and Article 91 of the Staff Regulations, participants have the right to submit a judicial appeal within 3 months of notification of the decision of the selection panel which adversely affects them, or, for decisions taken by the Appointing Authority, of notification of the decision taken in response to the complaint. Indeed, judicial appeals against decisions taken by the Appointing Authority must be preceded by an administrative complaint.

Complaints to the European Ombudsman

As European citizens and residents, participants lodge a complaint to the European Ombudsman. Complaints made to the Ombudsman have no suspensive effect on the deadlines laid down for lodging administrative complaints or submitting judicial appeals.

Participants may consult their application files on request. They may refer a matter to the European Data Protection Supervisor at any time.
